

CURRICULUM VITAE

Name: BURCHI Stefano

Date of Birth: 30 March 1948

Place of Birth: Rome, Italy

Nationality: Italian

Languages: Italian (mother tongue)
English (fluent)
French (very good)
Spanish (very good)

Education: 1961-1966 Diploma di maturità classica,
Liceo T. Mamiani, Rome, Italy;

1967-1972 Laurea in Giurisprudenza
(Law Degree), University of Rome, Italy;

1976-1977 LL.M., Harvard Law School,
Cambridge, Mass;

1977-1978 M.Sc. Natural Resources Policy and
Administration, School of Natural Resources, University of
Michigan, Ann Arbor, Michigan.

Professional affiliations: Chairman of the Executive Council of the International
Association for Water Law (AIDA)
www.aida-waterlaw.org

Associate, International H2O Solutions, USA
<http://internationalh2osolutions.com/>

Member of the Scientific committee of the *Journal of Water
Law*, Lawtext Publishing, UK

Honorary Lecturer at the UNESCO IHP-HELP Centre for
Water Law, Policy and Science, University of Dundee, UK

Member of the French Water Academy

Experience:

March 1973-June 1975

Legal Officer, Tecneco S.P.A., Fano, Italy.

Duties

- (a) Reviewing, commenting and reporting on current domestic and foreign environmental legislation;
- (b) undertaking research on, and drafting, environmental protection legislation;
- (c) participating in related conferences;
- (d) assisting the company's technical divisions in regard to legal aspects of environment-related activities and programmes.

Experience (continued)

July 1975 - January 1979

Legal Officer, Ente Nazionale Idrocarburi, Rome, Italy.

Duties

- (a) Reviewing, commenting and reporting on current domestic oil and gas, and related legislation;
- (b) undertaking research on, and drafting legislation;
- (c) assisting the Company's technical divisions in regard to legal aspects of oil-and-gas related activities and programmes.

February 1979 - May 1983

Economic Affairs Officer (Legislation), United Nations, Department of Technical Co-operation for Development, Division of Natural Resources and Energy, Water Resources Branch, New York, U.S.A.

Duties

- (a) backstopping of technical assistance projects in the field of water resources law and administration. In this capacity, undertook consultancy missions to Caribbean countries, Liberia, Israel and Jordan;
- (b) organising and servicing conferences, seminars and expert group meetings;
- (c) undertaking research and study projects on the legal and institutional aspects of water resources development at the national and international level.

June 1983 - October 1986

Legal Officer, Agrarian and Water Legislation Section, Legislation Branch, Legal Office, Food and Agriculture Organisation of the United Nations, Rome, Italy.

Duties:

- (a) backstopping of technical assistance projects in land and water resources legislation and administration. In this capacity, undertook consultancy missions to Caribbean countries, Liberia, Niger, Nigeria, Jamaica, Ethiopia, Rwanda and

Indonesia;

(b) assisting and advising FAO technical divisions on legal and institutional matters;

(c) undertaking research and publications projects.

November 1986 – December 2005

Chief, Agrarian and Water Legislation Section (title changed since April 1992 to Senior Legal Officer), Development Law Service, FAO, Rome, Italy. Duties include the supervising of professional staff, directing and orientating the activities of the Service in the field of agrarian and water law, and undertaking field advisory missions as legal consultant under Technical Assistance projects funded by FAO, bi-lateral sources and multi-lateral sources, including the World Bank. In this capacity, has advised several member countries of FAO in the conceptualization and drafting of domestic legislation for the management and development of freshwater resources, and in the drafting of international agreements for the management of rivers and lakes shared by two or more countries.

January 2006 - June 2007

Officer-in-charge, Development Law Service, FAO, Rome, Italy.

July 2007 – December 2008

Chief, Development Law Service, FAO, Rome, Italy.

Since January 2009

Consultant (upon retirement from FAO). In particular:

Consultant to the Government of Haiti on the legal and institutional framework for Irrigation Water Users' Associations (IFAD programme of technical assistance for the strengthening of irrigation water users' organizations) (2009)

Consultant to the Government of Bhutan on water resources legislation – conceptualization and drafting of a Water Act for the country (2009)

Consultant to the Governments of El Salvador, Guatemala, Honduras and Nicaragua on water resources legislation and administration – FAO project GCP/RLA/171/SPA “Fortalecimiento del marco jurídico en materia de gestión de los recursos hídricos” (2010-2011)

Consultant to the Government of the United Arab Emirates (federal and Abu Dhabi Emirate) on water resources legislation

– review and assessment (2010)

Consultant to the Palestinian Water Authority on water resources legislation - conceptualization and drafting of a new Water Act for Palestine (2010-2011)

Consultant to the Government of Qatar on water resources legislation – review of draft Water Act (2012)

Consultant to the FAO/UNESCO/World Bank/GEF initiative “Groundwater Governance: a Global Framework for Action”, in the capacity of member of the “core drafting team” which conceptualized and drafted the initiative’s chief outputs, i.e., a Shared Global Vision and a Framework for Action (2013-2014)

Consultant to GWP-Med, project *Sustainable Water Integrated Management (SWIM)- Support Mechanism* – Preparation and delivery of legal module for a capacity-building programme in the enforcement of water laws (training course and study tour in Holland, France and Spain) for water and environment prosecutors and investigators (June 2013)

Consultant to GWP-Med, project *Sustainable Water Integrated Management (SWIM)- Support Mechanism* – Preparation of a Study on the Legislative Framework Regulating the Recharge of Aquifers with Adequately Treated Wastewater (2014)

Consultant to GWP-Med, project *Sustainable Water Integrated Management (SWIM)- Support Mechanism* – Preparation of a Regulatory Framework for the Managed Recharge of Aquifers with Treated Wastewater in Egypt and Palestine (2015)

Consultant to UNESCO-IHP, Groundwater Resources Governance in Transboundary Aquifers (GGRETA) project – (a) development of an indicator-based methodology for the assessment of the domestic and bi/multilateral legal and institutional frameworks for the governance of transboundary aquifers, and application in the three project TBAs (Stampriet Aquifer System in Southern Africa, Trifinio Aquifer System in Central America, and Pre-Tashkent Aquifer in Central Asia) – (b) development and delivery of a training format addressing the Legal and Institutional Aspects of Water Governance: From the International to the Domestic Perspective - (c) development of proposals for institutionalized cooperation among the Stampriet Aquifer System countries (Botswana, Namibia, South Africa) (2014-2015)

Personal Achievements: Experiment in International Living, Ambassador Scholarship Programme, 1967 awards;

Harkness Fellow of the Commonwealth Fund of New York, 1976 awards. Twelve Harkness Fellowships used to be awarded each year by the Commonwealth Fund of New York, N. Y., to candidates from six Western European countries, including two from Italy.

Other activities:

Participated in international Conferences and symposia on water and related natural resources law and administration.

Since 1995, regular contributor of the item *Fresh Water* to the “Year in Review” feature of the **Yearbook of International Environmental Law**, Oxford University Press.

Since 2001, regular contributor of the feature *Year-end-review* of the **Journal of Water Law**, Lawtext Publishing.

Guest Lecturer/Instructor on water/natural resources law and administration at training courses:

- International Advanced Course on Water Resources Management, University of Perugia, Italy, May 1984, June 1985, and June 1986;
- Centre de Formation International à la Gestion des Ressources en Eau - International Training Centre for Water Resources Management (CEFIGRE), Sophia Antipolis, France, Course on Sanitation in Urban Areas, November 1985;
- Formazione dei Quadri per la Cooperazione e lo Sviluppo. Il Quadro Legislativo e Normativo, sponsored by the Istituto Italiano per le Tecnologie dello Sviluppo (ITESVI), Potenza, Italy, 17-18 July 1986;
- CEFIGRE (France), Course on Water Pollution Control, December 1987;
- German Foundation for International Development (DSE), course on Management of Irrigation Projects, Feldafing (Germany), June/July 1989, April/May 1990,

June 1991

- International Institute for Hydraulic and Environmental Engineering (IHE). International Course on Hydraulic Engineering, Delft (The Netherlands), 28-30 May 1990
- IHE, course on International Water Law and Management, Delft, November 1986
- RBA Centre for Comparative Studies on River Basin Management, Delft University of Technology, Delft (The Netherlands), Intensive International Course on River Basin Administration in Europe, Delft, 9-13 July 1990; 24-28 June 1991
- CEFIGRE, Course on Environmentally Sound Management of Water Resources, Cairo, 10-21 May 1992
- IHE and Interim Mekong Committee, Workshop on **Water Law and Management of the Mekong River Basin**, Bangkok, 2-11 June 1992
- International Development Law Institute (IDLI), Seminar on **Legal Aspects of Environmental Resource Management in Developing Countries**, Rome, 29 November to 12 December 1992
- IDLI, Seminar on **Legislación sobre control de la contaminación en áreas urbanas**, La Plata, Argentina, 24-28 October 1994 (in Spanish)
- IUCN-Royal Society for the Conservation of Nature (Jordan), **Environmental Legislation Workshop for West Asia**, Amman, Jordan, 1-3 May 1995
- Instituto Agronómico Mediterráneo de Zaragoza (CIHEAM), international course on **Groundwater Management**, Zaragoza, Spain, 6-17 November 1995, and 24 November-5 December 1997 (lectured on 1 December)
- IDLI, **Cours de pratique juridique de l'entreprise et de l'investissement**, Rome, 20 January-21 February 1997 (lectured on 19/2/1997) (in French)
- Institut International de l'Administration Publique, Paris, 21 February 1997 (in French)

- IDLI, Cours "**Droit de l'environnement en milieu urbain**", Rome, 7-18 April 1997 (lectured on 15/4/1997)(in French)
- Mekong River Commission Secretariat, **Basinwide Seminar on Legal Aspects of International Cooperation for Water Resources Development**, Chiang Rai, Thailand, 26-28 May 1997
- Centre for Petroleum & Mineral Law & Policy (CPMLP), **Professional Training Seminar on Water Law and Administration**, Dundee, UK, 9-10 June 1997 (lectured on 9 June)
- Universidad Iberoamericana (Mexico City, Mexico), **Diplomado en Derecho y Administración de las Aguas Nacionales** (Diploma course in National Water Law and Administration), Mexico City, Mexico, 30 May 1998 (in Spanish)
- Universidad Politécnica de Madrid, FAO and REDCAPA, course on **Economía y Política de Gestión del Agua en la Agricultura**, Madrid, Spain, 9 November to 4 December 1998 (lectured on 23 November 1998) (in Spanish)
- IDLI, **Cours pratique du droit du développement** 1999 (lectured on 27 October 1999)
- IDLI, , **Cours pratique du droit du développement** 2000 (lectured on 6 December 2000)
- Académie de l'eau, séminaire sur les **Aspects juridiques de la gestion de l'eau**, Paris, 16 January 2001 (Université PARIS 1 – Panthéon, Sorbonne)
- World Bank Institute, **Applied Integrated Water Resources Management (IWRM) Program**, Neuchâtel, Switzerland, 30 August – 6 September 2003
- UNITAR **Fellowship Programme in International Law**, module on *International Water Law*, The Hague, 12-15 July 2004 (delivered with Ms. K. Mechlem)
- UNEP, **Primer Programa Regional de Capacitación en Derecho y Políticas Ambientales**, Mexico City, 6-11 December 2004, lectured on *Legislación y políticas sobre aguas*

- **WMO, International Workshop on Groundwater Management**, Cairo, 4-7 April 2005, lectured on *Legal and regulatory aspects of integrated groundwater management at the national level*
- **UNITAR, Training course on International and National Water Law**, Dushanbe, Tajikistan, 12-16 December 2005 (designed and delivered with Ms. K. Mechlem)
- **IDLO, Course on Legal Framework of Water Resource Management**, Rome, 11-22 September 2006 (lectured 11 September)
- **IDLO, Training Course on Legal Framework of Water Resources Management**, Sydney, Australia, 22 October – 2 November 2007 (lectured on 22-23 October)
- **IDLO, Course on Changements climatiques et pays en développement**, Rome, 15-26 September 2008 (lectured on water law on 22 September), and **Course on Climate change and developing countries**, Rome, (lectured on water law on 18 October 2008)
- **Arab Water Academy, Course on Water Diplomacy: Sharing Waters, Sharing Benefits**, Abu Dhabi, UAE, 11-13 October 2009 (lectured on international water law)
- **Arab Water Academy, Course on Water Governance for Future Leaders**, Abu Dhabi, UAE, 15-19 November 2009 (lectured on domestic water law)
- **University of Edinburgh School of Law, Comparative Environmental Law LLM course**, Edinburgh, 25 November 2010 (lectured on domestic water law)
- **Loyola University School of Law, Chicago, Rome Campus, LLM Programme on Rule of law for development (PROLAW)**, Visiting Lecture series, lectured on domestic and international water law (25 and 28 November 2011, 15-16 November 2012, 25 October 2013, 17 October 2014)
- **La Sapienza University, Rome, Italy, LLM (Environmental Law) Programme**, lectured on domestic and international water law (1 March 2012, 8 March 2013, 16 March 2014)

- UNESCO-IHP, GGRETA project, training courses on **Legal and Institutional Aspects of Water Governance: From the International to the Domestic Perspective** (Gaborone, Botswana, 5-8 May 2015; Tashkent, Uzbekistan, 6-9 July 2015; San Salvador, El Salvador, 17-18 November 2015) – lectured on the interface between international water law and domestic water legislation
- UNESCO-IHP/Spanish International Cooperation Agency (AECID), *Seminario Diplomacia del Agua* (Water Diplomacy Workshop), Santa Cruz de la Sierra, Bolivia, 30 November-1 December 2015 - lectured on the interface between international water law and domestic water legislation
- University of Rome La Sapienza, training course **Support to the democratic transition in Tunisia**, lectured (in French) on national and international water law (11 December 2015)

Guest Professor, River Basin Administration Centre, Delft University of Technology, Delft, The Netherlands, December 1991 - March 1992

Convener and organizer of the Conference on "Il diritto e l'amministrazione delle acque in Italia: stato attuale e prospettive per il futuro" (Water Law and Administration in Italy: Present State and Pointers for the Future), Rome, 15 and 16 March 1994 (with a grant from Italy's National Research Council, and with the patronage of FAO)

- Documents and Publications: (1) Aspetti giuridico-istituzionali della utilizzazione industriale delle acque in Italia (Legal and institutional aspects of the industrial uses of water in Italy), graduation thesis, Rome, 1972;
- (2) La legislazione sulle acque in Italia (Water Legislation in Italy), Rome, 1974, under the sponsorship of the International Association for Water Law;
